

*Keywords: All regions, [EN] [AR] [FR], ethnicity, religion, war, all resources, conflict, reporting, journalism, all media formats, guide, handbook, resources for all*

This International Media Support publication seeks to contribute to the theoretical refinement and practical realization of conflict conscious journalism as a tool for usage by media practitioners in conflict-affected areas. With this goal in mind, the handbook is designed to be both a practical everyday guide for those already familiar with the subject, as well as an introduction for those unfamiliar with such practices.
