This training material has been designed for journalists specialised in written, audiovisual and electronic media and is part of the agenda of the regional programme entitled "Enhancing Equality between Men and Women in the Euromed Region". It is comprised of 3 different modules and provides exercises for training regarding gender equality and media. The guide, available in English, French and Arabic, seeks to reinforce the capacities of media to promote a balanced and non-stereotypical image of women in the Euro-Mediterranean region.
