

*Keywords: South Eastern Europe, English, sex, gender, youth, media content, print*

This package of articles was produced during a team reporting project in Podgorica, Montenegro. The project involved seven print journalists from different ethnic groups and media organizations within Montenegro. The stories appeared in Monitor magazine and were made available to all other media organizations through Montena-Fax.

The project took place from November 12 to November 23, 2001 and was conducted with the support of the European Community..... **(Monitor magazine, November 2001)**
